MORE THAN A
PRODUCT LINE,
MORE THAN
PRECISION
MACHINING,
NORTHFIELD
OFFERS YOU
A TOTAL
SOLUTION.

TOTAL SOLUTIONS[®]

ON TIME SHIPMENT

Northfield guarantees 100% on time delivery of our products. We offer free delivery if your product is not shipped on time.

30 DAY SAFETY STOCK GUARANTEE

Northfield maintains a 30 day safety stock on the shelf for our customers. We will work with you to determine your requirements for production and delivery.

90 DAY PRICE GUARANTEE

Northfield will provide a 90 day price guarantee on all quotes. In today's fast moving markets, we stand by our quotes and offer our customers the most economical solutions.

24 HOUR RESPONSE TIME FOR ISSUES

Northfield guarantees the quality of its products and services. We have sales reps, engineers and customer service personnel on-call to respond to your questions. Northfield stands by its products and services, and we will respond within 24 hours regarding any issues.

FAST TRACK ONBOARDING PROGRAM

Northfield's Fast Track Program offers our customers a way to minimize their "pain points" with a new supplier. Our Fast Track Program is designed to help your various departments including engineering, purchasing and administration deal with issues ranging from initial engineering to account setup to shipping and invoicing.

INTRODUCING NORTHFIELD'S FAST TRACK ONBOARDING PROGRAM

CONNECTING ENGINEERS

Let our engineering talent be an extension of your company. We will work seamlessly with your engineering department to provide expedited solutions for new and existing products. We can provide prototyping and capabilities studies to help move you quickly to the production phase.

WE WORK WITH YOUR SYSTEM

Northfield can accommodate ASN, EDI, bar coding and portal requirements to facilitate your system needs.

OUR FAST TRACK KIT

We will supply you a Kit, including the forms to onboard Northfield as your Total Solutions supplier.

OUR BUSINESS

LISTEN TO WHAT
OUR CLIENTS HAVE
TO SAY ABOUT US.

"Northfield Industries has been a long time supplier who understands our needs and requirements. Their quality, cost, and delivery management is exceptional and helped them win the Supplier of Excellence Award for the (3rd) consecutive year."
– Unicarriers

"Northfield is a people-oriented company. They communicate well with us, which is a rare thing these days."

– Vermeer

"I have a very high opinion of Northfield, as do others within CNH. Manufacturing these parts is a science, and Northfield has figured it out."
– CNH

"If I had 100 suppliers like Northfield, I could go to sleep each night and know all would be well."
– Bush Hog

LET NORTHFIELD BE YOUR CONTRACT PRECISION MACHINING HEADQUARTERS. OUR IN-HOUSE CAPABILITIES INCLUDE:

- Turning
- Milling
- Boring
- Grinding
- Welding
- Flame Cutting
- Assembly

CAPABILITIES TO DELIVER CUSTOMIZED SOLUTIONS.

PRECISION MACHINING

Northfield offers a comprehensive range of precision machining services. We go beyond precision machining: Our goal is to become an extension of your team, from engineering, to prototypes, to production runs, we will perform flawlessly. Northfield will make your precision parts from as large as 17,000 lbs, to parts that fit into the palm of your hand. Our equipment is modern, fast and precise, with tolerances as tight as 0.0002 inches.

HUBS AND SPINDLES

Northfield produces a complete line of Hubs and Spindles for the Agricultural Equipment market and the Industrial Equipment market. Our comprehensive line ranges from 20 bolt hubs with 50,000lb capacity, down to 4 bolt hubs with 1,000lb capacity, and everything in between. We produce all spindles and carry all bearings, seals and other components to complete this line.

JACKS

Northfield offers a complete line of square and round tongue Jacks. Our capacity ranges from 2,000lb to 12,000lb support. Special orders according to custom dimensions and surface treatment are welcome.

JACK WARRANTIES

Northfield Square Jack Warranty

Northfield Industries, LLC warrants that its Square Jack Product Line will be free from defects in material and workmanship for a period of three (3) years under normal use and service. Northfield will, at its option, repair or replace, free of charge, any part or parts found not to comply with this warranty. This warranty does not cover the following: damage through abuse, misuse, neglect, or an accident; damage from misapplication, overloading, or improper installation; improper maintenance; normal wear and tear; or any alterations to the jack.

Replacement of the jack or jack parts is the purchaser's sole remedy of this or any other warranty, whether express or implied. Northfield Industries LLC shall not be liable for service or labor charges incurred in the removal or replacement of the product, or for any incidental or consequential damage of any kind.

Round Jack Warranty

Northfield Industries LLC warrants that its Round Jack Product Line will be free from defects in material and workmanship for a period of (60) days from the date of sale by Northfield. This warranty does not cover the following: damage through abuse, misuse, neglect, or an accident; damage from misapplication, overloading, or improper installation; improper maintenance; normal wear and tear; or any alterations to the jack. Replacement of the jack or jack part's is the purchaser's sole remedy of this or any other warranty, whether express or implied. Northfield Industries, LLC shall not be liable for any service or labor charges, or for any incidental or consequential damage of any kind.
