

ENVIRONMENTAL POLICY STATEMENT

Anchor Harvey accepts its responsibilities in environmental matters and recognizes that good environmental management must be an integral and fundamental part of our business.

Anchor Harvey will continually strive to ensure that we have a minimal impact on the environment and aims to improve its environmental performance by:

- Complying with the requirements of all local, state and federal environmental regulations, and requiring its suppliers and contractors to comply
- Assessing the environmental effects of our business operations
- Actively promoting recycling where applicable
- Conserving natural resources through increased energy efficiency and better water management
- Managing waste and avoiding the use of hazardous substances
- Implementing the use of recycled materials where appropriate
- Continually seeking to improve environmental performance
- Allocating adequate resources to fulfill this policy
- Monitoring progress and review performance annually
